# EXPECTATIONS

You'll never get tired of the sense of anticipation on an Alaska voyage. It overtakes you as you first sail into Glacier Bay National Park. Excitement swells when your captain announces that a pod of whales is visible from the deck, and when your guide points out brown bears feasting in a stream. Even just thinking about the sheer sizes of Denali National Park and Tongass National Forest is enough to make you realize just how breathtaking Alaska can be.

## GO WITH THE *Experts*

More guests choose Princess® to explore Alaska than any other cruise line. Experience it for yourself and you'll understand why.

## glaciers

The native Tlingit call the sound “white thunder,” when chunks of ice tear from a tidewater glacier and crash into the waters below. We call it spectacular — an experience of a lifetime that engages all of your senses. Every Princess voyage offers at least one glacier viewing experience, and many offer two scenic days. On several voyages, you can spend a magical day gliding through Glacier Bay National Park. But why stop at that? Princess also invites you to hike across glaciers, race on a dogsled and soar above it all while flightseeing.

## wildlife

Alaska's pristine natural surroundings are full of wildlife, from densely forested lands to the deep blue water around you. Enjoy the comfort of your balcony or join other curious guests on deck to watch a whale breaching in the sea. Spot bears hunting for salmon in fast running waters, and look up to admire a bald eagle flying overhead. Venture into Denali National Park to find the "big five" — bears, caribou, moose, wolves and Dall sheep — roaming about the landscape.

## mountains

Towering mountain ranges cross the terrain of Alaska, with Denali soaring into the sky as the tallest peak in North America. Marvel at the summits from every point of view — from flying over the peaks and glacial terrain to rolling through the wilderness on a domed train. Extend your stay on land to enjoy even more breathtaking perspectives, like listening to thrilling tales from mountain climbers and taking in views of Denali from the Great Room at Mt. McKinley Princess Wilderness Lodge.®

# go local with NORTH TO ALASKA

## FIND YOUR *Alaska*

It's the freshest salmon you've ever tasted, prepared right on board. Cuddling with sled dog puppies and seeing lumberjacks in action. It's meeting storytellers and adventurers who understand the heart of Alaska. And with our award-winning North to Alaska program, you will too. Only available on Princess.®

Our exclusive program features authentic experiences that have earned it *Travel Weekly's* Gold Magellan Award.

\*Cook My Catch is available on select Princess shore excursions.

All North to Alaska offerings vary by ship and departure date. Charges apply for select dining experiences and are subject to change.

## LEARNING *Together*

All together now, “awww.” Holding a cuddly sled dog puppy is one of those moments that stays in your memory. From learning native Tlingit traditions to reliving the Gold Rush days and celebrating a lively Klondike festival, these onboard activities mean you’re not just visiting Alaska — you’re living it.

## *Northern Lights* EXPERIENCE

Within the indoor planetarium, seeing the Northern Lights or aurora borealis is guaranteed — no need to rely on nature’s whims. Once you watch bolts of color streaking across the dome, you’ll understand why this is one of life’s most wonderful moments.

## TASTES OF ALASKA

The chef-prepared fish you caught earlier that day still has a hint of the sea with Cook My Catch.® Crab cakes and seafood chowder served on board are just as delicious as in the original Alaska restaurants on land, like Tracy’s King Crab Shack in Juneau. Food memories were made to be created in Alaska, and with Princess, it’s easier than you thought.

# CRUISING *the great land*

Alaska voyages fulfill everything you look for in a vacation. There are moments of total relaxation as you float through fjords watching the scenery go by. Pure adrenaline surges in when you see a tidewater glacier calving or feel the rush of dog sledding. You'll understand history by experiencing it — in the faces of hand-carved totem poles and in Gold Rush towns that have welcomed travelers for more than 100 years. Create ties to the Great Land and create memories with your loved ones that last a lifetime.

# GLACIERS *on your cruise*

## glacier bay national park

Princess® is an authorized concessioner of Glacier Bay National Park.

Only accessible by boat or by plane, this 3.3 million-acre UNESCO World Heritage Site will show you unending natural beauty in a single day. Draw close to tidewater glaciers like the iconic Margerie Glacier as park rangers (who scale the ship to join you on board) share compelling details. When a glacier calves, you'll understand why the native Tlingit describe it as "white thunder." Among all the wildlife you can expect to see, look for humpback whales surfacing in the bay and mountain goats clambering over steep cliffs.

## endicott arm & dawes glacier

You won't be able to stop looking as you sail through the waterway of Endicott Arm. Waterfalls flow easily in the granite cliffs that rise from the fjord, where chunks of ice float by. Just ahead, emerging into view between a narrow passageway, is the grand finale — Dawes Glacier, which stands more than 600 feet tall and a mile wide.

## hubbard glacier

North America's largest tidewater glacier is a remarkable sight to behold. It measures an astonishing 76 miles long and 1,200 feet deep, and its rapid flow means that ice chunks frequently calve from the edge in a true spectacle. This region is teeming with wildlife, so keep your eyes open and your camera ready.

## college fjord

College Fjord offers the world's largest collection of tidewater glaciers, including the famed Harvard Glacier. Discovered in 1899 during the Harriman Expedition, professors on the excursion named glaciers after elite colleges, such as Harvard, Vassar and Yale. See for yourself why this is hailed as one of the world's most scenic destinations.

# which cruise is right for you?

# DENALI PRINCESS WILDERNESS LODGE®

gateway to Denali National Park

Just one mile from the entrance to Denali National Park, the Denali Princess Wilderness Lodge® is your gateway to a world like no other. Within the 6 million-acre expanse, Denali is teeming with wildlife. Grizzly bears, moose, caribou, Dall sheep and wolves are visible as you embark on a guided tour in the park. Relax by the fireplace or look out over the Nenana River from the expansive deck, and gather with your loved ones at Fannie Q's Saloon — a lively spot named for Fannie Quigley, a colorful homesteader whose hunting skills were as legendary as her wilderness cooking.

## VISIT DENALI NATIONAL PARK

Guided park tours showcase the best of Denali, with choices tailored to your personal interests. Learn about the park's rich history on a Natural History Tour, or travel 63 miles deep into the breathtaking landscape on a Tundra Wilderness Tour.

## CONNECT WITH LOVED ONES

Take time to enjoy down time over a hearty meal at Fannie Q's Saloon and on the fireside patio. The Princess Village creates fun memories for everyone with a cheery Christmas cottage and Sugar Shack.

## AN ALASKA FEAST

Enjoy a true taste of Alaska with local seafood like king crab and wild salmon at King Salmon Restaurant, order a slice at Lynx Creek Pizza, and enjoy a popular Princess specialty at Grizzly Burger: a juicy ribeye "Ernesto" burger.

## SURROUNDED BY NATURE

Your lodge's intimate surroundings are naturally connected to the environment. Forty-foot-tall windows and an expansive outdoor deck reveal beautiful views of the Nenana River.

# MT. MCKINLEY PRINCESS WILDERNESS LODGE®

view Denali from your doorstep

This true wilderness retreat is an extraordinary getaway. Situated in Denali State Park, this lodge is only 40 miles from Denali with breathtaking views of the summit. There is something here for everyone — sip on locally brewed beer in the Great Room or make s'mores over the firepits on the patio. This is your chance to try activities you've never done before, like riding a UTV through black bear country or flightseeing over Denali and the Alaska Range.

## VIEW FROM ABOVE

It's amazing how a meticulously detailed treehouse fits so perfectly in the Alaska wilderness. As seen and built on Animal Planet's™ *Treehouse Masters*, this unique space is a gathering spot for events such as a Sappy Hour tasting of syrup and other birch sap products.

## LEGENDS OF DENALI

Denali inspires your sense of adventure, where you can learn from those who have conquered the mountain. Hear captivating stories from climbers in the Hudson Theater, and view the restored aircraft of legendary bush pilot Cliff Hudson.

## SAVORING ALASKA

Crab-stuffed halibut and king salmon are just two of the highlights on the menu at North Fork, while 20,320 Alaskan Grill — named after Denali's height — serves local cuisine and is decorated with artifacts from Denali ascents.

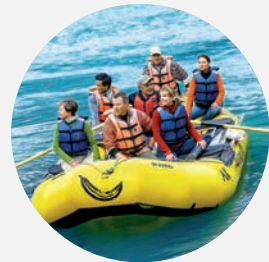

## OUTDOOR ADVENTURES

The historic town of Talkeetna, "the meeting of three rivers," is your gateway to some of Alaska's best recreation. River rafting, horseback riding and flightseeing over the mountains will have you recounting stories long after you return home.

# KENAI PRINCESS WILDERNESS LODGE®

alaska's playground

The Kenai Peninsula is known as “Alaska’s Playground,” which is quite an achievement in a state like this. Spanning 690,000 acres, all the adventures you envision are within reach — hiking, river rafting and day cruises to Kenai Fjords National Park. When it’s time to unwind, Kenai Princess Wilderness Lodge is a wilderness retreat filled with quiet nooks and an expansive deck overlooking the Kenai River.

## COZY RETREATS

Bungalow-style rooms and wood-burning stoves set the tone for a warm, inviting stay in this relaxing wilderness retreat high above the Kenai River.

## LOCAL FLAVORS

Dine on elegant local cuisine and wine at Rod & Reel Restaurant, or sit down for more casual fare and local brews at Rafter’s Lounge.

## ADVENTUROUS EXCURSIONS

Set out on a scenic drive to Seward, the gateway to Kenai Fjords National Park. Here, remnants of the Ice Age still exist, with 40 glaciers flowing from the Harding Icefield.

## LIVING HISTORY

Travel back to the Gold Rush days with a gold-panning excursion or explore the historic settlement of Cooper Landing, the site of Alaska’s very first gold discovery.

# COPPER RIVER PRINCESS WILDERNESS LODGE®

spectacular wilderness retreat

Built on a bluff overlooking two rivers, this retreat stands at the edge of America's largest national park. It's hard to wrap your head around the fact that Wrangell-St. Elias National Park encompasses 13.2 million acres — including nine of the 16 highest peaks in the U.S. But the views through the two-story windows of the Wrangell Room will bring it all to life as you look at the peaks of Mt. Drum, Mt. Wrangell and Mt. Blackburn.

## STEP INTO HISTORY

Just outside of the lodge, Klutina Lake Trail is a historic mining route from the Gold Rush era. You can also join an excursion to the abandoned Kennecott Copper Mine, a national historic landmark.

## RELAX AND UNWIND

The Wrangell Room is the highlight of this wilderness lodge, where you can sit back and take in broad mountain views through a two-story wall of windows. Take time to relax with a book in the cozy lobby in front of a crackling fireplace.

## DINING WITH A VIEW

Elegant cuisine at Two Rivers restaurant is accompanied by lovely views of the mountains and valleys. Savor the fresh flavors of locally caught Alaska seafood, including a trio of wild crab straight from the Bering Sea.

## ON THE WATER

There are ample ways to get out onto the water, however you choose to explore. Jet boat along the river or journey to a glacier in Prince William Sound. Fishing excursions guide you to world-class waters to catch your own salmon.

# FAIRBANKS PRINCESS RIVERSIDE LODGE®

in the heart of alaska

Excitement sets in the moment you arrive in Fairbanks, the gateway to Alaska’s wild interior. This gold mine town is full of history and adventures, and your riverside lodge is an ideal space to kick off or end your own exploration, where warm service and exceptional comfort welcome you to stay a while.

## SIGNATURE CUISINE

Feel the crisp air as you sip cocktails and dine on authentic Alaska cuisine on the expansive deck, with the river flowing before you, or find more casual fare at Trackers Bar & Grill.

## SEE THE SIGHTS

Fairbanks is the gateway to new adventures — like embarking on a Riverboat Discovery Cruise, panning for gold at Gold Dredge 8 or simply sightseeing in the city.

## THE HEART OF ALASKA

A gold mining town at the turn of the century, Fairbanks is also the gateway to Alaska’s interior, the land of the midnight sun and just a short flight from the Arctic Circle and the Yukon River.

## COZY COMFORTS

Feel right at home within the lodge’s rustic interior, with comfortable seating in front of a crackling fireplace. Take some time to view the local artwork on display in the on-site gallery.

\*Please note that depending on where our ships are sailing, you may encounter unavoidable service interruptions due to obstructions caused by geographical features. Also, in southern latitudes such as the Caribbean or the Mediterranean, internet speeds are often faster than those in northern latitudes, such as Alaska or the Baltics.

# SIP AND SAVOR

*as you sail*

Cuisine that will make your mouth water. The freshest Alaska seafood you've ever tasted because it was caught that same day. A chorus of "mmmm's" when you first taste a piece of chocolate cake. Dining on board is an experience and we promise to make it unforgettable with each and every bite.

## A TASTE OF THE WORLD WITH SPECIALTY DINING

Handmade pasta crafted fresh daily at Sabatini's<sup>SM</sup> Italian Trattoria will transport you to the rolling hills of Italy. Enjoy a date night at Crown Grill<sup>SM</sup> where prime cuts of steak, chops and seafood are the stars of the menu. SHARE<sup>SM</sup> by Curtis Stone features a six-course dinner, and Chef's Table offers an incredible culinary experience where you'll meet the chef on a behind-the-scenes tour.

## THE FLAVORS OF ALASKA

Alaska cuisine, straight from the source. Share your favorite memories of the day while you enjoy a bite of freshly caught salmon, king crab or even your own fish with Cook My Catch<sup>®</sup>. Our chefs on board and in our lodges create recipes using regional ingredients and local Alaska traditions to guide your culinary experience and make sure it leaves a lasting impression.

## WHAT SUITS *Your Taste?*

Our complimentary main dining offers two distinctive options to choose from:

### TRADITIONAL DINING

A great way to meet fellow cruisers, traditional dining is the classic cruise experience where you'll dine at the same time with the same tablemates every evening.

### ANYTIME DINING<sup>SM</sup>

Anytime Dining<sup>SM</sup> gives you the freedom to eat with whomever you want, whenever you want. The more the merrier!

### COMFORT FOODS

Sailing Alaska is always a treat, especially with our Neapolitan style pizza, named "Best Pizza at Sea" by *USA TODAY*, and pastries, coffee, salads and sandwiches at the 24-hour International Café. Stay in for the night and order round-the-clock complimentary room-service, which includes full meals, snacks or a made-from-scratch dessert.

### Balcony DINING

Sit back and relax with a breakfast or dinner paired with a side of Alaska's glacial views. Balcony dining is an unforgettable experience at sea — our friendly waitstaff ensures every detail, from flowers to champagne, is perfect.

### SAY CHEERS

End a day of viewing glaciers with a cocktail designed by mixologist Rob Floyd, or sample one of the wines curated by wine expert Doug Frost. For even more options, enjoy our Premier Beverage Package at a great value.

Charges may apply for select menu items. Once on board and subject to availability, you may switch from Traditional Dining to Anytime Dining with a 24-hour notice to the maître d'. Anytime Dining is not available on all ships. For those traveling with children, high chairs and booster seats are available in the dining room, and our staff will provide pureed foods when requested. A kids menu and activity mat with crayons are available. Locations, features and venues may vary by ship, and actual meal times and charges are subject to change.

\*Cook My Catch is available on select Princess shore excursions.

Indulge in fresh Alaska seafood and other local eats. Meet adorable sled puppies, and learn about Alaska from park rangers. From spa treatments to dazzling productions, each day offers something new to discover.

## Where CAN I SAIL?

Almost anywhere! We visit over 380 destinations and all seven continents. First-time cruisers love Alaska, the Caribbean and Europe.
