Mount Kilimanjaro dominates the horizon as you touch down in Arusha, Tanzania and are greeted by your Acacia Holidays guide. Experience the warmth of our culture as you journey through breathtaking landscapes that are home to a staggering array of wildlife. From the steep-walled crater of Ngorongoro to the broad plains of the Serengeti & Maasai Mara, you will marvel at the abundance and variety of East Africa's natural wildlife. Following the millions of wildebeest north into the grazing lands of the Mara, you will experience the grandest of natural spectacles: The Great Migration. Your safari is complete with a visit to Ol Pejeta Reserve and a visit to the bustling capital city of Nairobi. Extend your journey to the awe-inspiring Victoria Falls for a two-day adventure where you will explore the falls and wild Zambezi River by foot, boat, and Land Cruiser.
