

Emery Songer

Emery is a life-long lowan who grew up in the radio industry. He began broadcasting sports in Ottumwa as a teenager. After a stop in Oskaloosa following his graduation from William Penn University, he was brought in to be the producer for Hall of Famers Van and Bonnie on Newsradio 1040 WHO. Now, he serves in that same position for Max and Amy, but also hosts Saturday Morning Live every week and guest hosts on several different shows on WHO and 1460 AM/106.3 FM KXnO. He also talks about all sorts of topics on his award-nominated podcast, "Emery + 1". He's developed a true love of animals and conservation on top of his passion for sports. He and his wife, Keri, have begun to travel around the country to see all of the great places the USA has to offer.
